Career Objective

Results-driven Full-Stack Developer with hands-on experience in MERN Stack development, including React.js, Node.js, Express.js, and MongoDB. Skilled in developing responsive web applications, integrating APIs, implementing authentication, and building scalable solutions. Seeking a challenging role where I can leverage my technical expertise, problem-solving abilities, and passion for software development to deliver impactful solutions and contribute to organizational growth.

Education

Bachelor Of Technology- Computer Science & Engineering	(CGPA-6.7)
Sanskar College of Engineering and Technology, Affiliated to AKTU	August,2022-June,2026
High School (X)	(Percentage-80%)
Bhagwant Singh Inter College,(UP Board)	April,2020-June,2021
Intermediate (XII)	(Percentage - 71%)
Public Inter College, (UP Board)	April,2021-June,2022

Technical Skills

- Language : Java, JavaScript, HTML5, CSS3
- Backend Technologies : Node.js, Express.js
- Database : MongoDB
- Tools : Git, GitHub, VS Code
- AI-Assisted Development : GitHub Copilot, Claude, Cursor
- Core Fundamentals: DSA(Data Structure and Algorithms) , OOPs (Object Oriented Programming)
- Design & Editing : Tools: Adobe Photoshop, Canva, DaVinci Resolve

Projects

- **Personal Portfolio Website:** (<https://endearing-truffle-0d4e33.netlify.app/>) Developed a responsive personal portfolio website using React.js to showcase skills, projects, education, and professional profile. Implemented reusable React components, modern UI design, and responsive layouts to deliver a seamless user experience. Integrated smooth scrolling and interactive animations to enhance website engagement.
- **AI Code Reviewer:** Built an AI-powered code review platform that analyzes code and provides intelligent suggestions using Gemini AI. Developed backend APIs using Node.js and Express.js with MongoDB for efficient data management.
- **Generative AI Application:** Created a full-stack Generative AI application integrating Gemini AI for intelligent content generation. Designed scalable frontend and backend architecture with database connectivity.

Certifications

- Java Beginner Certificate– Infosys Springboard
- Winner Certificate in Cricket– College Euphoric Event

Extra-Curricular

- Cricket, Volleyball, Badminton, Video Editing, Creative Designing.
-
